## Matsumoto Hotel Kagetsu Renovation Works

### 1. Main Building Exterior Painting and Repair Work

Period: October 12, 2023 - December 28, 2023 (Scheduled)

During this period, scaffolding will be set up on the exterior of the main building (East, West, and South sides).

Due to the scaffolding installation, there will be times when you are required to close your curtains.

### 2. Individual Air Conditioning Unit Installation throughout the Entire Hotel

The hotel will remain open during this period. Please note that there may be some noise associated with the installation.

It is our goal to minimize any inconvenience as much as possible.

It is anticipated that the rooms will be available for use starting April 1, 2024, due to the construction.
